

ThinkPad X13 2-in-1 Gen 5

Boosted with AI-enabled Intel® Core™ Ultra 7 processor, this 2-in-1 ThinkPad is a perfect fit for professionals looking for a lightweight and versatile machine. Its ability to switch between 4 modes allows users to adapt to different working setups- from a cramped airplane seat to a small coffee shop table. Whether you're making a video call or listening to your favorite podcast, enjoy crystal-clear sound and voice quality with the dual Dolby Audio Premium stereo speakers, 360° dual-array mics and 5MP+IR camera.

Built for business with cutting-edge technology

The ultimate device for any mobile worker or executive, ThinkPad X1 Series combines the latest productivity and security technologies with sleek and lightweight designs.

The 13.3" multitouch screen lets users naturally interact with the device and an anti-glare and anti-smudge surface that makes it easier to comfortably work in bright-light conditions. The 16:10 aspect ratio and 100% sRGB color gamut present stunning and true-to-life visuals. Additionally, the EyeSafe Certification 2.0 reduces blue light emissions, alleviating eye strain during prolonged use.

With Intel Wi-Fi 7 feature, users who travel frequently due to work can enjoy consistent internet speed, reduced latency and great bandwidth. The multiple I/O ports, including USB-A and Thunderbolt 4 facilitate seamless data transfers and connectivity to surrounding peripherals.

With a starting weight of 1.20kg (2.65 lbs) and compact dimensions, the ThinkPad allows users to seamlessly navigate the office or outdoor meeting spaces. The inclusion of Intel Wi-Fi 7 connectivity ensures a constant and reliable connection, beyond the office environment.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Return To Depot Repair Warranty

- No-hassle repair process at a Lenovo service center
- Lenovo pays for all shipping between the customer and service facility
- Avoid unplanned operational expense with a simple annual fee

Accessories
