

COMPARISON MATRIX

LOGITECH KEYBOARD AND MOUSE COMBOS

In today's hybrid world, employees need easy-to-use technology that makes work flexible, productive, and healthy. Support employees no matter where they work by equipping them with a ready-to-go mouse and keyboard combo from Logitech — a global leader in innovative, business-grade peripherals.

OPTIMIZED FOR SECURITY, PRODUCTIVITY AND PERFORMANCE

Logitech keyboard and mouse combos are designed to be easy-to-maintain, scalable solutions that give IT departments peace of mind. Powered by Logi Bolt secured wireless technology, all devices are pre-paired to the USB receiver for true plug-and-play convenience. Additionally, when used with Logi Options+ software, these devices enhance the user experience and optimize workflow through personal customization and application-based presets.

LOGITECH KEYBOARD AND MOUSE COMBOS FOR BUSINESS

Logitech keyboard and mouse combos for business are compatible with all major operating systems, including *macOS* and *Windows*. They are globally certified in over 100 countries, are backed by a two-year limited hardware warranty, and include dedicated support for IT pros and business users.
