Steam performance, guaranteed

SteamGlideElite sole, optimal gliding and durability

Exclusive SteamGlide Elite soleplate with enhanced scratch resistance and Quick Calc Release for long-lasting performance.

Fast and powerful performance

- Up to 250 g steam boost blasts stubborn creases
- 2800 W for quick heat-up and powerful performance
- Steam output up to 50 g/min for faster crease removal

Easy and Comfortable ironing

- Drip-stop system keeps garments spotless while ironing
- Less refilling with extra-large 300 ml water tank
- Vertical steam
- Easy temperature control
- Automatic shut-off when iron is left unattended

Smooth gliding on all fabrics

- SteamGlide Elite: Our best gliding and scratch resistance

Long-lasting performance

- Quick Calc release

PHILIPS

Highlights

Steam boost up to 250 g

Penetrates deeper into fabrics to easily remove stubborn creases.

SteamGlide Elite soleplate

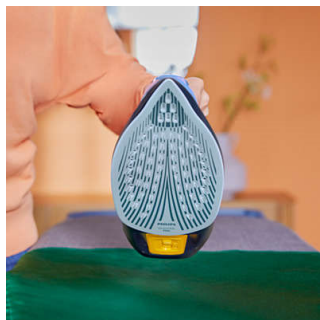

Philips' exclusive SteamGlide Elite is our best soleplate for ultimate gliding and maximum scratch resistance.

Quick Calc release

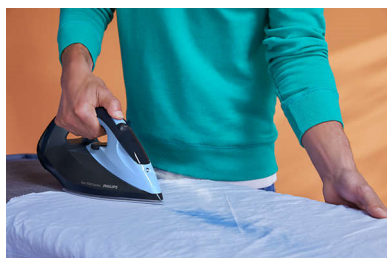

Quick Calc Release for an easy cleaning for your iron and a long-lasting steam performance.

Drip-stop system

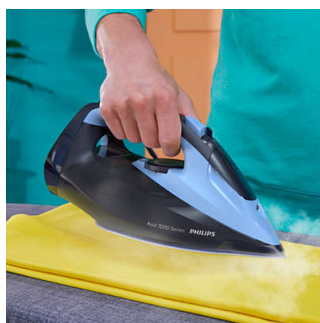

Our drip-stop system prevents leakage to avoid stains from water droplets and iron with confidence at any temperature.

300-ml Water tank

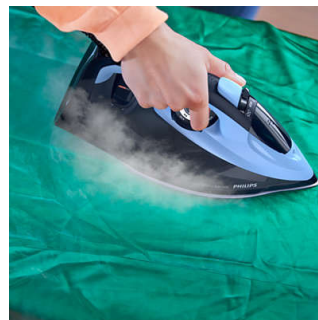

Fewer refills are required thanks to a large 300-ml water tank, allowing you to iron more clothes in one go.

2800 W to heat up quickly

Delivers a fast warm up and powerful performance to get your ironing done quickly.

Continuous steam up to 50 g/min

Strong and consistent steam output penetrates up to 50% more steam through fabric to remove creases faster.

Vertical steam

Vertical steam function allows you to refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Variable steam settings

An elevated temperature control and variable steam setting is easy and precise to operate. You will always have the right temperature and steam for your garment.

Specifications
