- Iron more in one go with the 350 ml water tank
- Auto shut-off after 8 minutes

Iron on and on

- Quick calc release for long lasting performance

PHILIPS

Steam Iron

3000 W Power 85 g/min Continuous steam, 260 g Turbo steam boost, No burns guaranteed

Highlights

3000 W for fast heat-up

Get started on your ironing in no time with more power for fast heat-up.

Continuous steam up to 85 g/min

Azur 8000 Series delivers up to 85 g/min of extra powerful and consistent steam output to remove creases faster.

Turbo Steam up to 260 g

The extra long steam boost delivers more power for removing tough creases from thicker fabrics like your favourite pair of jeans. Up to 260 g of turbo steam for even more powerful ironing.

No burns guaranteed

One optimal setting for all ironable fabrics. For no burns, guaranteed. Thanks to OptimalTEMP technology, we guarantee that this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes.

SteamGlide Elite soleplate

Smoothly glide over creases with the super-smooth SteamGlide Elite soleplate that is gentle on your clothes. The super-smooth SteamGlide Elite soleplate is durable, scratch-resistant and easy to keep clean.

Intelligent automatic steam

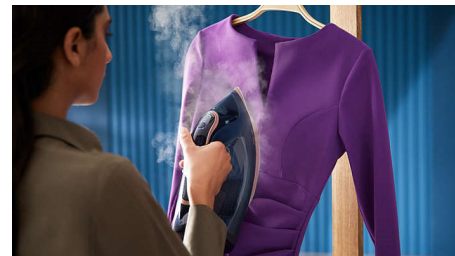

Ensure that your ironing is completed quickly and with minimal effort, with the new motion

DST8050/20

sensor technology that recognises when you move the iron to release steam automatically.

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

350 ml water tank

Fewer refills are required thanks to a large 350 ml water tank, so you can iron more clothes in one go.

Auto shut-off

To give you peace of mind, the steam iron automatically switches itself off after 8 minutes.
