- Slender modern design, so it's always at hand

PHILIPS

Highlights

Inspiring recipe App

Download our free Philips Healthy Drinks App. It's filled with delicious juice recipes and inspiration. For everything from detox drinks to energy boosts - and even juices that help you sleep peacefully. With detailed nutritional information, too.

Compact storage

Compact storage of pulp container inside juice collector

Dishwasher safe parts

Thanks to our unique design, you can quickly assemble and start using your new masticating juicer. It's also easy to take apart, and quick to clean. All detachable parts can be safely cleaned

in your dishwasher - which makes it even easier to clean up after your daily juice session.

Masticating technology

Release nutritional goodness from fruits, vegetables with up to 80% extraction*. A great slow juicer for leafy greens.

Clean-up in 90 seconds

With QuickClean technology - including our easy-to-clean micro-sieve. All parts are easy to remove and rinse.

Modern design

Slender modern design, so it's always at hand

XL feeding tube

Save time and start juicing faster. You no longer need to cut up most fruit and vegetables to fit this juice machine. Just pop it all into the 70mm XL feeding tube, and enjoy a boost of nutrition every day.

Stop those drips

Your kitchen countertop will stay nice and clean, thanks to our integrated drip stop.
