PHILIPS

Highlights

Powerful Motor

Its strong 700 W powerful motor ensures powerful blending for your daily homemade meals.

Anti-Splash blade guard

The special wave shapes in the bottom part of the hand blender blending bar guarantees there'll be no splashes or mess while you blend.

Ergonomic design

The robust and ergonomic design offers convenience and ease of use for consumers

ProMix technology

Developed together with the prestigious Stuttgart University, Philips ProMix is a unique, advanced technology that uses a specific triangular shape to create optimal food flow and maximum performance for faster and more consistent blending

Single-button release system

Easily attach and detach accessories for various functions with one press of a button.

Turbo function for extra power

With the Turbo function of the Philips hand blender you can cut even the toughest ingredients with the touch of a button

XL chopper

XL Chopper for easily prepared delicious salsas and salads, chopped fruits and large quantities of meat.
