- Smart Calc Clean to extend the lifetime of your iron

### Extra convenient to use

- Lightweight and compact for easy use and storage
- 1.8 L detachable water tank for easy refilling
- Automatic shut-off when iron is left unattended
- Safe-carry lock for safe and easy transport

# PHILIPS

# Highlights

## OptimalTEMP

With OptimalTEMP technology you achieve great results with one ideal temperature setting. We guarantee that this iron will never cause burns to any ironable fabric when it is left unattended. You can safely leave it resting on your clothes or ironing board.

## Powerful steam

Strong, continuous steam for effective crease removal of even the most stubborn creases on the thickest fabrics.

## Easy descaling

It's easy to maintain your steam generator with Smart Calc Clean, our built-in descaling system. It will remind you when it's time to descale and includes a container to make descaling easy and safe. As it's reusable, you will save money and never need to buy extra cartridges.

## Compact and convenient

Thanks to its compact size, it's light and easy to handle as you iron your clothes. It even fits on your ironing board. But don't think smaller means less powerful. Thanks to our exclusive ProVelocity technology, we've made powerful steam generators that are lightweight and more compact than ever.

## 1.8 l detachable water tank

A 1.8-litre transparent tank gives you up to 1.5 hours of continuous use. See clearly how much water is left and refill easily at any time under the tank through the large filling door.

## Auto-shut off

Auto-shut off to save energy and for peace of mind.

## Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

# Specifications

## General specifications

- Hose length: 1.6 m
- Hose storage: Compartment
- Power cord length: 1.65 m
- Power cord storage: Velcro fix
- Warranty: 2 year worldwide guarantee
